### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. John Crozier on 2/12/2004.

2. The application has been amended as follows:

In claim 21, line 5, "is" has been deleted.

In claim 22, lines 2-3, "further comprising: adhering said liquid tight sealing material around" has been changed to --wherein said liquid tight sealing material is adhered to--.

### ***Allowable Subject Matter***

3. The following is an examiner's statement of reasons for allowance: In claim 1, applicant has claimed a method of storing chemical compounds comprised of the following combination of steps: providing a longitudinally extending carrier tape with two or more matrices of thermoformed wells where each of the two or more matrices are separated longitudinally from an adjacent one of said two or more matrices by a space greater in dimension than a space separating adjacent ones of chemical wells; simultaneously adding a chemical compound to each of the chemical wells in one of the

two or more matrices; and the simultaneously adhering a sealing material around each of the chemical receiving wells in one of the matrices to retain chemical compounds therein. In claim 21 applicant has claimed a device for storing chemical compounds comprised of the following combination of elements: a longitudinally extending carrier tape having a plurality of thermoformed chemical receiving wells being disposed in two or more matrices on the carrier tape and a liquid tight sealing material adhered around each of said thermoformed wells. The Examiner did not find prior art which contain or suggest the combination of steps in the method or the combination of elements in the device. The Examiner considers the previously cited reference "

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
